

## **We Were Made For The Table - Andrea DeCook**

### **Icebreaker:**

1. How do you spell it: “OK” or “okay”?
2. If you were a fruit, which would you be and why?

### **Summary:**

We were made for the Table — created by a relational God to belong with Him and with one another. This message explores God’s design for connection, the pain of loneliness, and the hope of finding healing through communion with God and authentic community in the Church.

### **Engage the Bible:**

- Genesis 1:26
- Psalm 139:1–4
- Revelation 3:20
- Acts 2:42–47

### **Small Group Questions:**

- What stood out to you most from the message this week?
- How does knowing that God is a relational being (Trinity) change the way you think about your own need for community?
- What does it mean to be “made for the Table”?
- Which kind of loneliness do you relate to more — being physically alone or emotionally unseen?
- What keeps you from fully engaging in community with others?
- What would it look like for you to “pull up a chair” at God’s table this week?
- Who around you might need a seat at your table — and how can you extend that invitation?
